Road, Shrewsbury, Shropshire, SY1 4AB

Nature of work description

Description of processing

The following is a broad description of the way this operator processes personal information.

Reasons/purposes for processing information

I/We use CCTV on and around my property for security and prevention and detection of crime.

Types/classes of information processed

I/We process information relevant to the above reasons/purposes. This information may include:

- visual images, personal appearance and behaviour

I/We also process sensitive classes of information that may include:

- offences and alleged offences

Who information is processed about

I/we process information about:

-
- household members
 - visitors
 - members of the public and people in the area which is under surveillance

Who the information may be shared with

I/We sometimes need to share the personal information we process with the individual themselves and also with other organisations. Where this is necessary we are required to comply with all aspects of the Data Protection Act (DPA). What follows is a description of the types of organisation we may need to share some of the personal information we process with for one or more reasons.

Where necessary or required we share information with:

- police forces
- legal organisations
- other members of the household
- neighbours
- enquirers and complainants
- service providers

Transfers

It may sometimes be necessary to transfer personal information overseas. When this is needed information is only shared within the European Economic Area (EEA). Any transfers made will be in full compliance with all aspects of the Data Protection Act.
